
Confirmation of Mentor

Intern Architect/Student Associate's Name in Full

I am pleased to act as Mentor to the above named Intern Architect/Student Associate for the period of pre-registration architectural experience as required and shall endeavour to act as professional advisor conducting reviews and assessments of the architectural experience and generally assisting the Intern Architect/Student Associate in preparing for registration/licensure in accordance with the Internship in Architecture Program (IAP).

I acknowledge the importance of providing meaningful mentorship and guidance and I will serve as a role model for competent, professional and ethical architectural practice. I will support and promote practices that lead to an inclusive and equitable profession.
