

ONTARIO ASSOCIATION OF ARCHITECTS (OAA)
From Intern Architect/Student Associate to Architect

EDUCATION

A Professional Degree in Architecture accredited by
the Canadian Architectural Certification Board (CACB) or the National Architectural Accrediting Board (NAAB)
OR
A RAIC Diploma in Architecture offered by the RAIC Syllabus Program

INTERNSHIP IN ARCHITECTURE PROGRAM (IAP)

Upon application approval, you will hold status with the OAA as an Intern Architect.

Remember to renew your status annually

EXPERIENCE

3,720 hours of architectural experience completed in accordance with the categories and requirements of the IAP Manual and Appendix B.

NOTE: Currency requirement of 940 hours of experience within three years of application for licence.

EXAMINATION

The Examination for Architects in Canada (ExAC)
OR
The Architect Registration Examination (ARE)

OAA ADMISSION COURSE

Covers topics related to regulatory matters, legal issues, and information specific to the practice of architecture in Ontario.

NOTE: The OAA Admission Course can be taken at any point during the IAP program.

APPLY FOR LICENCE

** A student of architecture may apply to become a Student Associate and may be eligible to log experience hours. Visit the OAA Website for more information.*
