Payment of Fees Form

Consent Form – Under the *Personal Information Protection and Electronic Documents Act* (PIPEDA) for the collection, use, disclosure, and retention of personal information collected by the Ontario Association of Architects in the course of its commercial activities.

When filing an Application for Licence, include the following:

1. Completed, signed Application for Licence;
2. Proof of Citizenship or lawful permanent residency status in the United States of America (USA);
3. Contact the National Council of Architectural Registration Boards (NCARB) to apply for an NCARB Certificate and/or have your current records updated; NCARB will send directly to the OAA:
 - Proof of licensure in good standing with one or more NCARB Member Board(s) signatory to the current Agreement (template attached);
 - Signed affidavit attesting to the completion of 2,000 cumulative hours of post-licensure experience, practising as an architect in the USA (template attached);
4. Payment of applicable fees (refer to Payment of Fees Form); and
5. Completed, signed Consent Form (under PIPEDA).

You are advised to notify the OAA in writing in advance of being considered for a commission in Ontario. You must also promise to comply with the requirements for licensing immediately upon obtaining the commission. This avoids the perception that you are trying to practise architecture without a Licence and Certificate of Practice in Ontario.

IMPORTANT

Ontario has two-tier licensing. You must obtain a Licence for yourself (individual) and a Certificate of Practice (individual or business) to offer or provide architectural services to the public.

An Application for Certificate of Practice should be submitted together with the Application for Licence.

The provision of architectural services, as defined under the *Architects Act* and further elaborated on the [OAA Website](#), prior to the issuance of a Licence and Certificate of Practice may be prejudicial to the granting of a Licence and/or a Certificate of Practice.

General

1. Allow approximately **four to six weeks** of processing time from the date of receipt of the completed application and all required documentation. An incomplete application will be delayed as it may be returned for completion. **NOTE: ENSURE YOU HAVE ANSWERED ALL QUESTIONS OR YOUR APPLICATION WILL BE DEEMED INCOMPLETE,**
2. All sections of the application are to be completed. The terms "Not Applicable" and "N/A" may be used where sections do not apply.
3. All documentation submitted will be verified.
4. The **Licence term** is January 1 to December 31 each year. The onus is on the architect to pay the fee within the time prescribed.
5. **Applications received after December 1** will not be finalized in that calendar year (unless otherwise requested). Applicants should contact the Office of the Registrar after December 1 for information with respect to fees.
6. All documents prepared by an Architect licensed in Ontario that govern a project's construction, alteration, or enlargement must be sealed with a seal issued to that member by the OAA. For more information regarding OAA professional seals, visit the OAA Website [here](#).

Applying for a seal

1. An **applicant for a Certificate of Practice** may apply for a seal after their Certificate of Practice has been approved, or have a seal when making application for the Certificate of Practice.
2. For an **employee of a holder of a Certificate of Practice** to be eligible for a seal, the holder of the Certificate of Practice must provide confirmation in writing to the OAA indicating that the seal will be used only for projects under that holder.
3. For an **employee of other than a holder of a Certificate of Practice** (e.g. federal or provincial government, banks, etc.) to be eligible, the employer must provide confirmation in writing to the OAA indicating that the seal will be used only for projects owned by the employer; the entity that owns the projects must be the one and the same that employs the licensee.

Once you have a seal

1. The employer must notify the Office of the Registrar at officeoftheregistrar@oaa.on.ca of any changes to the Certificate of Practice.
2. The employee must immediately notify the Office of the Registrar at officeoftheregistrar@oaa.on.ca of any changes to their employment status.

OAA Seals must remain under the sole control of the licensee; they cannot be shared or delegated under any circumstances.

7. Every holder of a Licence shall **display their Licence certificate prominently** in their place of business (Subsection 49.(7), Regulation 27).
8. The OAA has a **mandatory Continuing Education program**. Detailed information can be found on the OAA Website at <https://www.oaa.on.ca/working-with-an-architect/member-benefits/continuing-education-program>.
9. **There are application fees and annual fees for each Licence and Certificate of Practice.** These are set out on their separate Payment of Fees Form that are attached to the separate applications.

Completion of the Application

A. IDENTIFICATION

Question 7 requires proof of your date of birth. Photocopies of birth certificate, passport, or driver's licence are accepted.

B. LICENCE HISTORY

Indicate Licence status in all jurisdictions where a Licence is currently held or was previously held. Identify any Licence not currently in good standing and give the particulars. Attach supplementary sheets if necessary.

C. DECLARATION

It is the statutory responsibility of the OAA to ensure applicants for Licence in Ontario have the requisite knowledge of Ontario laws before being granted a Licence by the OAA.

Applicants must have unrestricted access to all of the documents listed in Appendix 1. The OAA Official Documents are available for downloading from the OAA Website.

Where the Registrar proposes to refuse to issue a Licence based on good character (which includes past conduct and the belief the applicant will not engage in the practice of architecture in accordance with the law, and with honesty and integrity) the *Architects Act* provides that the Applicant is entitled to a hearing by the Registration Committee. If the Applicant chooses to attend a hearing with the Registration Committee, they must deliver to the Registrar, within 30 days from the dated Notice of Proposal, a written notice of their intent to attend the hearing, coupled with the reasons that had been served upon them. A Decision by the Registration Committee may be appealed through the courts.

Mobility of Architects to Ontario

Sometimes clients want you to start work in Ontario or provide design ideas, programming, or other architectural services before you are licensed in Ontario.

ARCHITECTURAL SERVICES IN ONTARIO can only be provided by an Architect licensed by the OAA **and** the holder of a Certificate of Practice issued by the OAA.

COMMISSIONS – You are advised to notify the OAA in writing in advance of being considered for a commission in Ontario. You must also promise to comply with the requirements for licensing immediately upon obtaining the commission. This avoids the perception that you are trying to practise architecture without a Licence and Certificate of Practice in Ontario.

COLLABORATION AND TEMPORARY LICENCES – As an alternative to the process of licensure as an Architect and issuance of a Certificate of Practice, or in the case of an Architect who is licensed in a jurisdiction that does not have reciprocity with the OAA, the process of Temporary Licence and Certificate of Practice under Section 23 of the *Architects Act* is available for the purpose of providing architectural services on a **specific project**. This option requires collaboration with an Ontario architect/holder.
