

## Primary Continuing Education Reporting Jurisdiction

*To be completed by OAA members who are licensed in multiple jurisdictions in Canada, and prefer reporting ConEd activities in a province/territory other than Ontario. This jurisdiction must have similar requirements as well as reporting timelines (refer below for a list of organizations to which this applies).*

I designate the following as my Primary ConEd Reporting Jurisdiction

(please choose one):

- The Alberta Association of Architects (AAA)
- The Architect's Association of New Brunswick (AANB)
- The Architects Association of Prince Edward Island (AAPEI)
- The Manitoba Association of Architects (MAA)
- The Architects Licensing Board of Newfoundland and Labrador (ALBNL)
- The Northwest Territories Association of Architects (NWTAA)
- The Saskatchewan Association of Architects (SAA)

I confirm to the OAA that:

1. I am a registered/licensed member of the Primary ConEd Reporting Jurisdiction noted above. My registration/licence # is \_\_\_\_\_.
2. I am solely responsible for complying with the continuing education requirements of the Primary ConEd Reporting Jurisdiction.
3. I authorize my Primary ConEd Reporting Jurisdiction to release to the OAA information that is relevant to my compliance with their continuing education program.
4. I recognize that information falsely reported in another province/territory will be recorded as non-compliance with the OAA's ConEd Program which may lead to potential disciplinary action under the Architects Act.
