OAA Job Signs Order Form

OAA-branded job signs are a great way to increase your practice's visibility. Proudly identify yourself as part of the profession and help to increase awareness of OAA members and architecture within your community.

In different sizes, the manufacturer can print directly to either 3-mm PVC or to adhesive vinyl (unmounted), with special anti-graffiti laminate included. For the latter, you can consider peel-and-stick applications directly to windows, hoarding, or your own choice of backing. Both options are outdoor-rated with a life expectancy of at least two years with proper installation. Signs include anti-graffiti lamination.

Fill out the form on hard copy or digitally and send the pdf to oaamail@oaa.on.ca with "Job Signs" as your subject header. Association staff will reach out to you quickly.
